3. Matters discussed/decisions made

Wessex League structure. It was confirmed that there would be eight teams in each of divisions 1 2 and 3. As far as possible, there will be eight teams in division 4 and if there is an unequal number of teams, then division 5 will be the larger league.

Premiership: commencing now. This is a new competition in which points are awarded for County events to contribute to an overall winner for the year.

Little response to the suggested new teams of four league – 20 board matches – for Newcomers. (Anyone interested out there, please inform the Chairman!)

4. The future

Green Point Event June 05

County Congress to be re-instated in March 06

EBU/OBA event at Blenheim Palace in November 04

Possibility of the County hosting a Camrose weekend in spring 06
